Priorities

Study

Studying for 4 hours a week will help you keep up with your schoolwork and get good grades. It's also a great way to learn new things and improve your skills.
4 hours per week

Exercise

Exercising for 3 hours a week can help you stay in shape, boost your mood, and improve your overall health. It's also a great way to relieve stress and increase your energy levels.
3 hours per week

Family

Spending 5 hours a week with your family can help you build strong relationships and create lasting memories. It's also a great way to show your loved ones how much you care about them.
5 hours per week

Friends

Spending 2 hours a week with your friends can help you have fun, relax, and enjoy the company of others. It's also a great way to socialize, meet new people, and strengthen your friendships.
2 hours per week

Self-learning

Spending 6 hours a week on self-learning can help you expand your knowledge, develop new skills, and pursue your interests. It's also a great way to grow personally and professionally.
6 hours per week
